Mission Statement

The mission of the Kansas Animal Control Association is to serve the needs of those involved in the welfare of animals throughout the state of Kansas.

Association Overview

- Formed in 1978
- Recognized by state of Kansas and county officials
- Achieved professional credibility for Animal Control Officers
- Advocate of animal welfare
- Increased interaction with public and community groups

KACA Educational Opportunities

- Bite Stick (ASP Batons)
- OC (Pepper Spray)
- Chemical Immobilization
- Animal Care Equipment Usage
- Investigation and Interview
- State Law

KACA also provides a network base that can aid in rewriting agency policy and procedure.

Members frequently network and share recommendations on how to increase cooperation between agencies and the public.
